We recommend using public transport

From **Dietlikon** railway station (fast trains S3 & S8 from Zurich) you can reach our offices taking the **796 bus** (direction “Wangen, Flugsicherungszentrum”) in about 3 minutes. Please note that the bus stop **Dietlikon Bahnhof/Bad** is located at the parking lot of the swimming pool “Faiswiesen”, not at the main bus stop next to the railway building. The bus stop **Brüttisellen-Haldenbrücke** is located right in front of the Innovation Center which houses the Ontrex offices.

If you prefer to walk from the railway station, getting to Ontrex should take you approx. 10 - 15 min. Just follow “Brüttisellerstrasse” straight across the intersection with “Zürcherstrasse” onto “Stationsstrasse”. After a few hundred meters “Stationsstrasse” is crossed by a highway bridge. The Innovation Center is the last building on your left before reaching the underpass under the highway.

By car

From the highway intersection of A1 / A15 “Brüttiseller Kreuz” follow the blue exit signs “Brüttisellen Dietlikon”. At the traffic lights at the end of the highway, turn right onto “Zürichstrasse”. At the traffic light (approx. 150 meters) turn right again onto “Stationsstrasse”.

Follow “Stationsstrasse” for approx. 400 meters. Ontrex is located in the last building on your left before the underpass of highway A1.

Marked parking spaces for visitors can be found along the building in “Schüracherstutz” road.

You will find further parking spaces in the parking zones in the immediate vicinity, such as in Ruchstuckstrasse. In addition, you can use the numbered spaces 23 - 26 in the parking lot "Ruchstuckstrasse Unter der Autobahnbrücke" (47.41801, 8.63070).

GPS devices should use "Brüttisellen, Schüracherstutz" as their destination (47.41966, 8.63157)

Please visit <https://goo.gl/maps/XaDazdAoDLy> to view our office building in Google Street View.

Please note that the intersection Zürichstrasse – Stationsstrasse has undergone major changes recently. Not all GPS systems might be aware of the new layout, yet.

Our office

The entrance to the Innovation Center is located on the bottom of the hill in “Schüracherstutz”, going up the big concrete ramp.

Inside the building please take the stairway one floor up to our reception area. An elevator is located at the far end of the building.

Our training center can be found on the entrance level of the building, right behind the large auditorium on the left.

Hotel recommendations

For our visitors arriving by public transport, we recommend choosing a hotel in downtown Zurich near the S-Bahn lines S3 or S8.

You can reach the train stations Zürich Stadelhofen or Zürich Hauptbahnhof by taking the bus line 796 to the train station Dietlikon and continue with the S train lines S3 or S8 in approx. 20 - 25 minutes travel time incl. transfer times from the office Ontrex.

If you travel to us by car and do not want to drive to a hotel in the city of Zurich or Winterthur, the following hotel can be found near our office:

Centra Hotel Zurich

New Winterthur Street 12

8303 Bassersdorf

044/838 9191 www.centrazurich.ch

From Ontrex, follow Haldenstrasse / Stationsstrasse back to Zürichstrasse. There you turn right onto Zürichstrasse, direction Winterthur. Soon this becomes Neue Winterthurerstrasse. You will reach the hotel after about 5 minutes. A free parking lot is located directly at the hotel.
